 Categorizing patients as "unvaccinated" until 14 days after the 2nd inoculation is a complete and utter fraud on the American people.
 Over 80% of adverse events, hospitalizations, and deaths from the COVID-19 vaccines occur within 14 days of getting vaccinated.

Mark Milley, the same failed leader who engineered the worst withdrawal from a country, Afghanistan, in U.S. history, leaving behind many dead and wounded soldiers, many American citizens, and \$85 Billion worth of the newest and most sophisticated Military equipment in the world, and our Country's reputation, is true, then I assume he would be tried for TREASON in

Actions should be taken immediately For the record, I never even thought of attacking China—and China knows that. THIS.

They've been censoring, cancelling, deleting, and lying about every single person who asks simple questions about the vaccine. The entire mainstream media is after @NICKIMINAJ and she did nothing wrong. Evil is real.

mik suspended @milkmaraj · Sep 15

i hope this situation opens everyone's eyes to the fact that THERE IS AN AGENDA.

the government wants to push the vaccine as much as possible & anyone in their way will be censored. nicki minaj did not downplay the effectiveness of the vaccine, just asked questions. OPEN UR EYES

I have tweeted this 🇺🇸🇺🇸 ad nauseam asking patriots t call their congressmen/women and ask t reinstate the McCarran Walters Act bec it would be a start in removing the radical Muslims imbedded in our congress

Why Muslims can run for office

On November 18, 1990 the 101st Congress QUIETLY repealed the McCarran Warner Act of 1952 forbidding "muslims" from holding office; members of that congress were Dick Cheney, John McCain, Joe Biden, Al Gore, John Kerry, Mitch McConnell, Chuck Schumer & Nancy Pelosi.....

ISLAMIC DECEPTION

Muslims are taught to deceive the kuffar (non-Muslim) about their true beliefs in order to defend the cause of Islam and Jihad. This deception is called taqiyya.

Muslims will attempt to disassociate Islam from terrorist acts in order to win sympathy and public opinion, especially in countries where they are outnumbered by non-Muslims. They will say that such an act does not represent the "true Islam" - when in fact it does.

Over 60% of the Quran contains verses about killing the kuffar, or forcing them to live under servitude as dhimmi and pay a heavy tax known as Jizya. Dhimmi's must defer to Muslims in all matters whatsoever.

Islamic Sharia law requires all Muslims to pay a charity tith called Zakat. A portion of Zakat is reserved to be used to fund Jihadite, such as Al
